Circ.nr.9 – New Kraft CARMELLO

We are pleased to announce that the current range of **Abet Laminati Full Colour** solutions is evolving with a new, versatile addition.

This is **Kraft CARMELLO (coded R)**, an extremely adaptable solution featuring a dark amber nuance. It is perfectly suited for creating sophisticated harmonies with wood décors—enhancing their grain and natural textures—and with light solid colours, resulting in compositions that are both bright and elegant.

We are currently arranging the production of samples for this new kraft, which will be shipped to you as soon as they are available. In the meantime, please find, here below, the product specifications and corresponding price list.
